SECOND REQUEST FOR EXTENSION OF TIME

Sir:

It is respectfully requested that the time for filing a response to the outstanding Office Action dated March 24, 1981 be further extended one month up to and including August 24, 1981.

This extension of time is needed to enable applicant to response to factual issues clarified at a telephonic interview with Examiner Grimm on July 21 with the applicant and his attorney. In light of this interview, applicant and his attorney will need to meet with one another to formulate a response. Because of conflicting schedules, such a meeting will not be possible until after the present due date when the inventor returns from a vacation trip on August 21, 1981.

Respectfully submitted,
